

Author declaration**Acknowledgements**

None

Author Contributions

Edussuriya DH - Initial conception, editing the manuscript

Paranitharan P - Data collection, editing the manuscript

Perera WNS - Data collection

Thilakarathne MGNI - Data collection, initial drafting of the manuscript

Wijesiriwardena WMSY - Initial drafting of the manuscript

Nanayakkara C - Data collection

Funding sources

None

Availability of data and materials

Not relevant

Ethics approval and consent to participate

Ethical clearance obtained from Faculty of Medicine, University of Peradeniya

Competing interests

None
